

## French Paraffin Facial Mask

Deep ultra-hydrating treatment that increases blood circulation and heals dry, damaged skin. The facial begins with a cleansing followed by a warm towel steaming, exfoliation, and blackhead extraction.

A warm paraffin mask is applied to your face. A face, scalp, neck, shoulder, hand, and foot massage is included. Leaving you refreshed, relaxed, and rejuvenated.

\$115 1 hour 30 mins.

## Diamond Microdermabrasion Skin

### Resurfacing Facial

This procedure is designed to gently and safely exfoliate the skin. It improves the skin by diminishing scars, fine lines, wrinkles, sun damage, and acne. It increases skin elasticity and refines skin texture. Safe for most skin types, even the eye & lip areas.
